

The background of the entire poster is a vibrant, abstract painting with thick, expressive brushstrokes in shades of yellow, orange, red, blue, and green. A large, semi-transparent yellow triangle is positioned in the upper left corner, partially overlapping the University Galleries logo. The logo itself is a stylized lowercase 'g' in a dark grey color, followed by the text 'UNIVERSITY GALLERIES' in a bold, sans-serif font. Below this, the address '11 Uptown Circle, Normal, IL 61761' and the website 'FineArts.IllinoisState.edu/galleries' are listed, along with the phone number '309.438.5467' and the email 'gallery@IllinoisState.edu'.

HOT ROCKS PERFORMANCE

Artist Claire Ashley and musician Joshua Patterson will stage a free public performance entitled *Hot Rocks* in Uptown Normal's Roundabout. Five specially-made inflatable sculptures powered by student performers sealed inside will roll out the gallery doors and transform the Roundabout into a surreal dance floor as they frolic in response to live music played by Patterson. This performance is held in conjunction with *Cawt, Taut, Hot Not*, Ashley's summer solo exhibition at University Galleries, which features Dayglo-colored pneumatic sculptures.
