2015 ISU Student Annual Exhibition

Video Submission Requirements

Submit video files on a flash drive.
Place your initals on the front or back of the flash drive.
Clear or reformat flash drive before uploading your video (and prior to submitting).
When submitting, the video file will be checked for formatting and compatability before the submission is complete.

Format preferences:
Format your review copy for viewing on an iMac computer using Quicktime as follows:

File Format:
Quicktime (.mov) or AVI (.avi)
Compression: H.264
Frame rate: 24, 30 or 60
Data Rate: 5000 kbps (or higher)
Resolution: 640 x 480 for Standard Definition (4:3)
1920 x 1080, square pixels for high definition (wide screen, 16:9)

De-interlacing: If your original is interlaced, then de-interlace. Progressive scanned files work best when displayed on a computer.

Please call or e-mail with questions: 438-2615 or jajudd@ilstu.edu.
