

FOR IMMEDIATE RELEASE: March 9, 2023

## MEDIA RELEASE

University Galleries of Illinois State University will present the *2023 MFA Thesis Exhibitions* from March 9 through April 2, 2023. All events are free and open to the public.

*2023 MFA Thesis Exhibitions* features two simultaneous solo exhibitions by Master of Fine Arts students in Illinois State's Wonsook Kim School of Art: **Cooper L. Gibson** and **Amy Yeager**.

The exhibitions are the culmination of the students' research during their three-year program. In addition to writing a thesis and creating their artwork, each student develops their own exhibition plan, installs their work, and writes their accompanying labels. University Galleries is thrilled to partner with the Wonsook Kim School of Art to offer graduating MFA students this opportunity for professional development.

### Events and programming

All events are free and open to the public.
